©Gwen & Allan Cause 30/1/2010 to tune 'There is sunshine' by John R Sweney

There is sunshine in my soul today  
Be-cause I live in great OZ  
There is no place better on earth  
'cause all we need is just right h-e-r-e.

## Chorus:

*Oh there is sunshine, plenty of sunshine  
And there's beaches, mountains. dust and beer  
There are sand fly bites,. and snakes and crocodiles  
Let us all give one big cheer !!!*

*(Wait)*

There is sunshine in my soul today  
There is much to make me glad  
There are kookaburras and crows  
And ducks and geese and frogs and t-o-a-d-s.

## *Chorus*

There are barbecues and kangaroos  
Laming-tons and vegemite  
Spending time with family and kin  
And relax and take it all right in.

## *Chorus*

There is sunshine in my soul today  
Because I know God is mine  
Peace and love for ever in my heart  
'cause now I know how great thou a-r-t.

## Chorus:

*Oh there is sunshine, plenty of sunshine  
And there's beaches, mountains. dust and beer  
There are sand fly bites,. and snakes and crocodiles  
Let us all give one big cheer !!!*
